The Joliet Storm Soccer Camp is a great way to improve your game during the cold winter months. Leading the camp will be Director of the Storm and Head Women's Soccer Coach at University of St Francis, John Nikchevich, who has 20 years of soccer experience. Players will work on the fundamentals of the game which will give them the opportunity to become better soccer players. The coaches will work on individual skills as well as game tactics in a small group setting.
