BUILDING STRONG, BRIGHT FUTURES YMCA KIDZ ZONE

After School Youth Recreational Program

The YMCA is excited to announce that we will be offering an After School Recreation Program at Marshall Elementary School beginning in 2013-2014 school year. This program is for Grades K-5 and is designed to provide a caring, safe and fun environment for your child during those out of school hours. Upon school dismissal, students will be transported using YMCA buses to the Smith Family YMCA and stay at the YMCA for the duration of the program until 6 pm. Parents can pick up their child from the YMCA up until 6 pm. The children will engage in a variety of age appropriate activities that focus on the YMCAs four core values of caring, honesty, respect and responsibility. A healthy snack will also be provided for each child. Activities include homework and reading time, indoor and outdoor group physical activities, arts and crafts and character development activities.

Program Fees:

\$45 non-refundable registration fee

Full Member Monthly installment: \$260

Program Member Monthly installment: \$290

Programs runs from 2:10-6 p.m.

Financial Assistance is available. Families who demonstrate a need will be subsidized using funds available through Illinois Child Care Resource and Referral (CCR&R), the YMCA Annual Giving Campaign and the United Way. The first step in applying for a scholarship is to be approved by the Illinois Childcare Resource and Referral Department.
