## After School Youth Recreational Program

The YMCA is excited to announce that we will be offering an After School Recreation Program at Forest Park Individual Education School beginning in 2013-2014 school year. This program is for Grades K-5 and is designed to provide a caring, safe and fun environment for your child during those out of school hours. Students will stay at the school upon dismissal and engage in a variety of age appropriate activities that focus on the YMCAs four core values of caring, honesty, respect and responsibility. A healthy snack will also be provided for each child. Activities include homework and reading time, indoor and outdoor group physical activities, arts and crafts and character development activities.
