

Am I Culturally Aware?
From the work of Sharroky Hollie, Ph.D.

How do I define Cultural Awareness, Affirmation and Appreciation?

Is Cultural Awareness something that you do or something that you are?

Fill in the blanks below . . .

There are two rules, 1. You cannot use the same word twice, and 2. Do not put human being for any of your response.

My racial identity is _____ And the behaviors I display

associated with my race are _____

My national identit(ies) is/are _____ And the behaviors I display associated with my nationality are

My ethnic Identity is _____ And the behaviors I display

associated with my ethnicity are _____

Fill in the blanks below about the students you serve or your colleagues in the school
There are two rules, 1. You cannot use the same word twice, and 2. Do not put human
being for any of your response.

The racial identity of the students / staff I serve is/are

_____ And the
behaviors I observe associated with those different races are

Most of my students / staff I serve identify with the national identit(ies) is/are

_____ And the behaviors I observe
associated with those nationalities are

The ethnic Identity my students / staff are

_____ And the behaviors I observe associated
with those ethnicities are _____
