All envelopes containing Bids must be marked “BID ENCLOSED, GARBAGE DISPOSAL SERVICES” and must have the Bidder’s name and address stated on the envelope. Failure to properly mark the envelope may result in a failed delivery, and result in rejection of the Bid. If more than one envelope is needed to submit the Bid, each envelope must be marked with all the information required above and be marked to indicate that the envelopes belong together (e.g., one of three, two of three).

1.15.3 Bidders Are Responsible for Bid Delivery
Each Bidder is solely and completely responsible for delivery of its Bid to the Business Office before the date and time established for the Bid opening. Any Bid that is not delivered on time, including Bids mistakenly delivered to other District offices, will not be accepted. The District is under no obligation to ensure that misdirected Bids are delivered to the Business Office prior to Bid opening.

To designate portions of a Bid as confidential, Bidder must:

A. Mark the cover page as follows: "This bid includes trade secrets or other proprietary data."

B. Mark each sheet or Data to be restricted with the following legend: "Confidential: Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this bid."

Indiscriminate labeling of material as "Confidential" may be grounds for deeming a bid as non-responsive.

All Bids submitted to the District are subject to the Freedom of Information Act. The District will make the final determination as to whether information, even if marked "confidential," will be disclosed pursuant to a request under the Freedom of Information act or valid subpoena. Bidder agrees not to pursue any cause of action against the District with regard to disclosure of information.

1.16. WITHDRAWAL OF BIDS
Bidders may withdraw their Bid at any time prior to the date and time for Bid opening. Requests for withdrawal must be made in writing on the Bidder's letterhead to the Business Office. Bidders must make their own arrangements for the return of their Bids.

1.17. BID OPENING

1.19. **EVALUATION OF BIDS**

1.19.1 **Base Bid and Alternate Bids**
Bids will be evaluated based on the Total Bid Price for garbage disposal services as listed in the Bid Proposal Form. Alternates, if any, may be awarded individually or awarded to the successful Base bidder.

1.19.2 **Determination of Responsiveness**
The District will review Bids to determine whether they conform to the requirements of the Bid Documents.

1.19.3 **Must Bid All Line Items**
The Bidder must bid all Line Items set forth on the Proposal Pages, except to the extent that the Specification expressly allows otherwise. Bids submitted to the contrary will be considered incomplete and as a result, will be rejected as being non-responsive to this requirement.

Per the Basis of Award, if Contract(s) will be awarded per Group, Bidders must bid all items within a Group, except to the extent that the Specification expressly allows otherwise, but Bidders are not required to bid all Groups. Bids submitted to the contrary will be considered incomplete and as a result, will be rejected as being non-responsive to this requirement.

1.19.4 **Mathematical Calculations**
The District reserves the right to make corrections, after receiving the bids, to any clerical error apparent on the face of the bid, including but not limited to obviously incorrect units or misplaced decimal points, or arithmetic errors. In the event that comparison of the Bidder's "Unit Price" and "Total Price" submitted for any line item reveals a calculation error, the Unit Price will prevail.

1.20. **REJECTION OF BIDS AND WAIVER OF INFORMALITIES**
The District, in its sole discretion and authority, may determine that it is in the best interest of the District to reject any or all Bids submitted in response to any Invitation for Bids. The District, in its sole discretion and authority, may disregard or waive any informality in the Bids or bidding process.

1.21. **CONSIDERATION OF BIDS**
The District reserves the right to reject any and all bids and to disregard any informalities in a bid or the bidding process, when in his/her opinion the best interest of the District will be served by such action.

1.22. **AWARD OF CONTRACT OR REJECTION OF BIDS**
The contract will be awarded to the lowest responsible bidder complying with all the provisions of the Invitation, provided that in the judgment of the District, the bid price is acceptable and in the best interests of the District. The District reserves the right to reject any or all bids received whenever such rejection is in the interest of the District.

The Contract consists of the Bid Documents. Upon the award of a contract pursuant to the Bid Documents, the Bid Documents become the Contract Documents, which collectively comprise the Contract.

1.23. NOTICE OF AWARD
If a written award of acceptance of bid or purchase order is mailed (or otherwise furnished) to the successful Bidder, within the time for acceptance specified in the Invitation to Bid, it shall be deemed to result in a binding contract without further action by either party.

II. STANDARD TERMS AND CONDITIONS

2.1. SEVERABILITY
The invalidity, illegality, or unenforceability of any one or more phrases, sentences, clauses, or sections in this Contract does not affect the remaining portions of this Contract.

2.2. ENTIRE CONTRACT
The Contract Documents constitute the entire agreement between the parties and may not be modified except by the subsequent written agreement of the parties.

2.3 ASSIGNMENT
Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of its contract or its right, title or interest therein, or its power to execute such contract, to any other person, firm or corporation without the previous written consent of the District, but in no case shall such consent relieve the Contractor from its obligations or change the terms of the Contract. The Contractor must notify the District, in writing, of the name of any proposed assignee and the reason for the assignment; consent to which is solely in the District’s discretion.

2.4 SUBCONTRACTING
No part of the goods, work, or services to be provided under this Contract may be subcontracted without the prior written consent of the District; but in no case will such consent relieve the Contractor from its obligations or change the terms of the Contract. The Contractor must notify the District of the names of all Subcontractors to be used and shall not employ any that the District has not approved. Prior to proposing the use of a certain Subcontractor, the Contractor must verify that neither the Subcontractor nor any of its owners is debarred from or otherwise ineligible to participate on District contracts.

Subcontracting of the services or work or any portion of the Contract without the prior written consent of the District is null and void. Further, the Contractor will not make any
substitution of a previously approved Subcontractor without the prior written consent of the District; any substitution of a Subcontractor without the prior written consent of the District is null and void.

The Contractor will only subcontract with competent and responsible Subcontractors. If, in the judgment of the District, any Subcontractor is careless, incompetent, violates safety or security rules, obstructs the progress of the services or work, acts contrary to instructions, acts improperly, is not responsible, is unfit, is incompetent, violates any laws applicable to this Contract, or fails to follow the requirements of this Contract, then the Contractor will, immediately upon notice from District, discharge or otherwise remove such Subcontractor and propose an acceptable substitute for District approval.

2.5. GOVERNING LAW AND JURISDICTION
This Contract will be governed in accordance with the laws of the State of Illinois, without regard to choice of law principles. In State court, venue shall be in the County of Will. If in Federal Court, the Contractor hereby irrevocably submits, and will cause its Subcontractors to submit, to the original jurisdiction of Federal courts located within the County of Cook, State of Illinois.

2.6. INDEPENDENT CONTRACTOR
This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the District. The rights and the obligations of the parties are only those set forth in this Contract. Contractor must perform under this Contract as an independent contractor and not as a representative, employee, agent, or partner of the District.

2.7. AMENDMENTS
Following Contract award, no change, amendment, or modification of the Contract Documents, or any part thereof, is valid unless stipulated in writing and signed by the Contractor and the District, unless specifically allowed for by the Contract Documents.

2.8. INDEMNITY
Contractor must defend, indemnify, keep and hold harmless the District, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses (as defined below), including those related to: injury, death or damage of or to any person or property; any infringement or violation of any property right (including any patent, trademark or copyright); failure to pay or perform or cause to be paid or performed Contractors covenants and obligations as and when required under this Contract or otherwise to pay or perform its obligations to any subcontractor; the District's exercise of its rights and remedies under this Contract; and injuries to or death of any employee of Contractor or any subcontractor under any workers compensation statute.

"Losses" means, individually and collectively, liabilities of every kind, including monetary damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands,
actions, suits, proceedings, fines, judgments or settlements, any or all of which in any way arise out of or relate to the negligent or otherwise wrongful errors, acts, or omissions of Contractor, its employees, agents and subcontractors.

At the District's option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them (including, but not limited to, court costs and reasonable attorneys' fees and disbursements), but the District has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Contract. Any settlement must be made only with the prior written consent of the District, if the settlement requires any action on the part of the District.

The indemnities in this section survive expiration or termination of this Contract for matters occurring or arising during the term of this Contract or as the result of or during the Contractor's performance of work or services beyond the term. Contractor acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the District are apart from and not limited by the Contractor's duties under this Contract, including the insurance requirements set forth in the Contract.

2.9. INSURANCE TO BE PROVIDED
The Contractor must provide and maintain at Contractor's own expense, until Contract completion and during the time period following completion if Contractor is required to return and perform any additional work, the insurance coverages and requirements specified below, insuring all operations related to the Contract.

The Contractor must submit evidence of insurance prior to Contract award. The receipt of any certificate does not constitute agreement by the District that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the District to obtain certificates or other insurance evidence from Contractor is not a waiver by the District of any requirements for the Contractor to obtain and maintain the specified coverages.

The Contractor shall advise all insurers of the Contract provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the District retains the right to stop work and/or payment until proper evidence of insurance is provided, or the Contract may be terminated.

The Contractor must provide for 60-days prior written notice to be given to the District in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

The Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the District, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor’s liabilities and responsibilities specified within the Contract or by law.
Any insurance or self-insurance programs maintained by the District do not contribute with insurance provided by the Contractor under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.
