Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of its contract or its right, title or interest therein, or its power to execute such contract, to any other person, firm or corporation, without the previous written consent of the District, but in no case shall such consent relieve the Contractor from its obligation, or change the terms of the Contract. The Contractor must notify the District, in writing, of the name of any proposed assignee and the reason for the assignment; consent to which is solely in the District's discretion.

2.4 SUBCONTRACTING

No part of the goods, work, or services to be provided under this Contract may be subcontracted without the prior written consent of the District; but in no case will such consent relieve the Contractor from its obligations, or change the terms of the Contract. The Contractor must notify the District of the names of all Subcontractors to be used and shall not employ any that the District has not approved. Prior to proposing the use of a certain Subcontractor, the Contractor must verify that neither the Subcontractor nor any of its owners is debarred from or otherwise ineligible to participate on District contracts.

At the District's option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the District has the right, at its

option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Contract. Any settlement must be made only with the prior written consent of the District, if the settlement requires any action on the part of the District.

The indemnities in this section survive expiration or termination of this Contract for matters occurring or arising during the term of this Contract or as the result of or during the Contractor's performance of work or services beyond the term.
