Start time: 8:00 A.M.
End : 2:50 P.M.

February 2019

Character Trait

Perseverance is our character trait of the month. Perseverance begins by completing a task even when it becomes boring, difficult, or discouraging. Perseverance works along with self control. Perseverance means you are able to wait and work through difficulties, whether they have to do with your mind, your body, or your emotions.

Educational Quote

“The capacity to learn is a gift, the ability to learn is a skill, the willingness to learn is a choice.”

Brian Herbert

Every educator dreams of having all of their students coming to school with the choice and desire to learn. As odd-ly as it may seem, this is not the case. So, what do our wonderful Hufford teachers do? We try to motivate our students by teaching and modeling for them the importance of learning. This is also an area we reach out to parents for assistance. As a team, parents and teachers, we make it a point to motivate all of our students to come to school with the choice to learn and with the understanding that the reward of knowledge is priceless.

Fun Fact

Did you know that Black History Month began as “Negro History Week,” which was created in 1926 by Carter G. Woodson. It became a month long celebration in 1976.

Febrero del 2019

Rasgo de Carácter

La perseverancia es nuestro rasgo de carácter del mes. La perseverancia comienza completando una tarea incluso cuando se vuelve aburrida, difícil o desalentadora. La perseverancia funciona junto con el autocontrol. La perseverancia significa que puedes esperar y superar las dificultades, ya sea que tengan que ver con tu mente, tu cuerpo o tus emociones.

Cita Educativa

“La capacidad de aprender es un regalo, la capacidad de aprender es una habilidad, la voluntad de aprender es una elección.”

Brian Herbert

Todo educador sueña con que todos sus estudiantes vayan a la escuela con la opción y el deseo de aprender. Por extraño que parezca, este no es el caso. Entonces, ¿qué hacen nuestros maravillosos maestros de Hufford? Intentamos motivar a nuestros estudiantes enseñándoles y mostrándoles la importancia de aprender. Este es también un tema con el que necesitamos la ayuda de los padres. Formando equipo, los padres y los maestros, nos esforzamos por motivar a todos nuestros estudiantes para que vengan a la escuela con la opción de aprender y comprendiendo que la recompensa del conocimiento no tiene precio.

El Dato Curioso

¿Sabía que el mes de Historia Afroafrican American mericana comenzó como "Semana de Historia Negra", que fue creada en 1926 por Carter G. Woodson. Se convirtió en una celebración de un mes en 1976.
