ARTICLE I – Recognition

Section 1.1 Recognition

The Board of School Inspectors of School District No. 86, Will County Illinois (hereinafter referred to as the BOARD) recognizes Council # 86 of the American Federation of Teachers – Local 604 (hereinafter referred to as the UNION) as the sole and exclusive bargaining representative for all licensed teaching personnel, including social workers, supportive learning specialists, nurses, school psychologists, psychologist assistants, librarians, band and orchestra teachers, teachers in Title One programs, consultants, and physical therapists (hereinafter referred to as TEACHERS) on matters directly affecting wages, hours, and terms and conditions of employment. Excluded shall be the Superintendent, Assistant Superintendents, Principals, Assistant Principals, other Supervisory or Administrative Personnel, Coordinators, Directors, short term employees, and all non-licensed personnel, including the attendance officer.

Section 1.2 Agreement

Both the Board and the Union agree to abide by the provisions of this Agreement.

Section 1.3 Information for Negotiations

The Board and Union agree that accurate information is important to the effective resolution of differences and the effective conduct of negotiations. It is therefore mutually agreed that both parties shall make available such reasonably available and non-privileged information, statistics, and records as may be mutually agreed to be necessary for future negotiations.

Section 1.4 Changes in Terms, Benefits, and Conditions of Employment

No changes in the terms, benefits, and conditions of employment that directly affect teachers shall be made without prior notice to and negotiation with the Union. In an emergency situation the Board may make a change to temporarily solve a problem in a manner that is consistent with the best interest of the teacher(s) and the district but long term solution of that problem shall be negotiated.

Section 1.5 Labor Management Building Meetings

On a monthly basis the Principal and his/her designees shall, at a mutually agreed time, meet with the appropriate Union building representative to discuss school operations and questions relating to the implementation of this Agreement. Proposed changes in existing policies and procedures shall be subjects for discussion at such meetings. Such policies adopted or maintained shall be in accordance with the terms of this Agreement. Each party shall submit written agenda items to the other party at least five (5) days prior to the meeting. These meetings shall not constitute negotiations for the purpose of altering the Agreement. The parties may mutually agree to cancel any meeting.

Section 1.6 Labor Management Meeting

On a monthly basis, the Superintendent and his/her designees shall meet, at a mutually agreed time, with the Union Executive Committee (not to exceed 6 members), to discuss matters of educational policy and

development and/or matters relating to the administration of the Agreement. Whenever possible, such meetings will take place during school hours with substitutes provided by the District and no loss of pay incurred by the teachers. Each party shall submit written agenda items to the other party at least five (5) days prior to the meeting. These meetings shall not constitute negotiations for the purpose of altering the Agreement. The parties may mutually agree to cancel any meeting.

Section 1.7 Release Time For Union Officials

The Union President, or designee, subject to administrative approval, may be allowed released time for the investigation of grievances or other appropriate activities relating to school or teacher welfare.

Under no circumstances shall representatives of the Union, at local, state, or national levels, by their actions in investigations, visitations, or study, interfere with the normal and effective operation of the schools. All such visitations shall be coordinated by proper notice to the building principal.

Section 1.8 Meetings on School Time

Whenever members of the bargaining unit are mutually scheduled by the parties to participate during working hours in conferences, meetings, or in negotiations, they will suffer no loss in pay.

Section 1.9 Payroll Deductions of Union Dues

The Board shall, upon the written request of an employee, withhold from the compensation of that employee any dues, payments or contributions payable by such employee to the Union. Individual payroll deduction authorizations must be filed in the Business Office, by the Union Treasurer, at least fourteen (14) days prior to the first deduction.

The dues deductions shall be made each pay day beginning with the second pay in the new school year and continuing for twenty-one (21) consecutive pay days. A list of employees with information showing amount deducted from each, as authorized, with explanatory reason if and when no deduction was made, shall be sent to the Treasurer of the Union each pay day together with payment for such deductions. Payroll deductions shall continue unless and until the authorization is withdrawn by the individual teacher by written notice, through the Union Treasurer, to the Business Office.

The Union shall indemnify and hold harmless the Board, its' members, officers, agents and employees from and against any and all claims, demands, actions, complaints, suits, costs, losses and expenses or other forms of liability including, but not limited to, the cost of defense thereof and attorney's fees therewith in any manner resulting from or arising out of this Article or the consequences therefore or that shall arise out of or by reason of action taken by the Board for the purposes of complying with the above provisions of this Article, or in reliance on any list, notice, certification, affidavit, or assignment furnished under any of such provisions.

Section 1.10 Placement on Board Meeting Agenda

The Union shall have reasonable access to a place on the agenda of meetings of the Board of School Inspectors, providing that such request shall be submitted in writing not less than seven (7) school days prior to the date of the meetings, such notice to include notice of the general topic or area to be presented in reasonable substance.

Section 1.11 Union Use of Designated School Equipment

Insofar as no cost to the District is incurred, or no removal of equipment or property from the premises of the District is allowed, it is recognized that reasonable use of school computer printers, copiers, typewriters, single room amplifying systems, mail systems, or their equivalents, is desirable to enhance effective communications between staff members, such use is authorized and shall be coordinated at the direction of the appropriate building administrator. Nothing included herein shall authorize the utilization of school equipment in such a way as to impede or impair the regular operation of the schools, and first priority for equipment use shall be the needs of the instructional program.

Section 1.12 Union Bulletin Board

Each building principal shall designate bulletin board space of at least 2'x3' for the posting of Union notices and information. In such space as designated, no person other than the Union designee, shall add or remove material from such bulletin board.

Section 1.13 Board Agenda and Minutes for Union

Pursuant to the Illinois Open Meeting Act (5 ILCS 120/1 *et.seq.*), the Board agenda and approved minutes of open sessions are posted on the District's web site.

The President of the Union shall be notified as soon as possible of all special meetings of the Board.

Section 1.14 Union Meetings

Listing of Union meetings and other scheduled activities shall, upon reasonable advance request, be incorporated with and published in the Superintendent's Bulletin. Additionally, for the purpose of internal communication with its members of Union meetings and other scheduled activities, the Union may use the District email system. Notice of the dates of such meetings shall be supplied to the Superintendent prior to the opening of school each year. No meetings of teachers shall be scheduled simultaneously with the regular monthly Union meeting.

Section 1.15 Printing of Agreement

The cost of printing this Agreement shall be borne equally by the Board and the Union. The Agreement will be printed in small booklet size form by either the District print room or by a Union print shop.

Section 1.16 School Day

The school day shall be 6 hours and 50 minutes in length, plus whatever additional time as is necessary to perform the duties and responsibilities of teachers.

Each teacher shall have a duty free lunch, the same length of lunch hour as the students, but in no case, less than 35-40 minutes for all elementary teachers.

If circumstances warrant a 35 minute lunch period, then the school day shall be 6 hours 45 minutes in length, plus whatever additional time as is necessary to perform the duties and responsibilities of teachers.

The day shall start and end at a time appropriate to the local conditions or transportation.

Each teacher shall be provided with a minimum of 200 minutes of plan time during each full week of student attendance. Within the 200 minutes, a total of 25 minutes during each full week of student attendance shall be identified as unassigned time to be used by the teacher to accomplish individual work tasks. If meetings are scheduled during these periods, prior notice will be given to the teachers, except in an emergency situation.

Principals shall not schedule mandatory meetings for all teachers in a given building more than once every two weeks (unless emergency circumstances dictate otherwise), provided that this limitation shall not be applicable during the first and last month of the school year.

In an attempt to keep the number of mandatory meetings to a minimum, whenever feasible, information for teachers will be incorporated into a written bulletin.

Every effort will be made to keep the number of additional staff meetings with directors, consultants, coordinators, and other non-building administrative personnel to a minimum.

In addition, the Union shall be authorized to make brief announcements at faculty meetings and other meetings conducted with teachers, if reasonable advance notice is given to the administration.

Elementary school recess time will be handled on a school by school basis by the principal and the teaching staff.

Section 1.17 Fair Practices

1. No teacher shall be prejudiced in his/her employment because he/she has joined or failed to join any lodge, political party, religious group, employee's association, union or other lawful organization, provided no such activities interfere with the instructional program.
2. The Union agrees to fulfill its duty to fairly represent all teachers covered by this Agreement. The Union further agrees to indemnify and hold harmless the Board from any and all liability, including monetary damages, which result from any failure on the part of the Union to fulfill its duty of fair representation.
3. No claim alleging a violation of this Section for which there is another procedure or adjudication established by law or rule or regulation having the force of law shall constitute a grievance under the terms of this Agreement.

Section 1.18 School Year, School Calendar

The school year for all teachers, with the exception of school psychologists, shall consist of 176 actual pupil attendance days, although the school calendar may provide 185 or more days, of which there may be four (4) institute days. Sufficient holidays will be given to insure 176 teaching days will not be exceeded. The school year for school psychologists shall be 185 days.

In the event that the Board of Education seeks and receives a waiver to eliminate Lincoln's Birthday as a school holiday, President's Day (the third Monday of February) will be observed as a holiday.

If the Board of Education does not receive a waiver for the elimination of Lincoln's Birthday, in those years when Lincoln's Birthday does not fall on a school day (Monday through Friday) President's Day (the third Monday of February) will be observed.

Section 1.19 Institutes

Union representatives will be afforded a reasonable time on the agenda of one Teacher Institute in order to present a program provided that a request for such time is made six (6) weeks prior to such Institute. The Union will be given a reasonable time at each Institute for the purpose of making statements or announcements relating to the Union.

Section 1.20 Professional Meetings

Absences may be approved by the Superintendent, or his/her designee, to permit teachers to attend professional meetings, if the Superintendent or his/her designee concludes such attendance contributes to the professional growth and development of the teacher. The grant, duration, and reimbursement for the expenses for such absences shall be within the discretion of the Superintendent or his/her designee. Such absences shall be without loss of pay or reduction in personal leave.

ARTICLE II - Teacher Evaluations and Personnel File

Section 2.1 Evaluations

1. All evaluations of teachers shall only be conducted by qualified evaluators as defined by state law and state regulations.
2. All evaluations of teachers shall be conducted pursuant to state law and state regulations and the District's evaluation plan.
3. Each teacher not in contractual continued service shall be evaluated at least once every school year.
4. Each teacher in contractual continued service shall be evaluated at least once in the course of every 2 school years. However, any teacher in contractual continued service whose performance is rated as either "needs improvement" or "unsatisfactory" must be evaluated at least once in the school year following the receipt of such rating.
5. Notwithstanding anything to the contrary in this Agreement or the Evaluation Instrument, a principal shall not be prohibited from evaluating any teachers within a school during his or her first year as principal of such school.
6. Notwithstanding anything to the contrary in this Agreement or the Evaluation Instrument, any teacher may be evaluated more often than the minimum requirements.

Section 2.2 Evaluation Procedures

All evaluations shall be conducted in conformance with state law, state regulations and the District's Evaluation Plan. In the event of a conflict between the Evaluation Plan and the state law or state regulations, the provisions of state law and state regulations shall govern.

No Formal Observation or Informal Observation intended to be used to formulate a teacher's performance evaluation shall be conducted during the first five (5) days and/or last five (5) days of the school year, during times of statewide testing that directly and specifically affect the teacher's class, or during the five (5) days prior to Winter and/or Spring break unless requested by the teacher.

Section 2.3 Adverse Observations and/or Accusations by Non-school Personnel

The evaluation shall not be predicated in whole, or in part, upon adverse observation and/or accusations by non-school persons or be made part of the teacher's record unless the name(s) of such person(s) and the nature of such observations or accusations are made known to the teacher and the teacher is given a reasonable opportunity to refute the statement. If the adverse observation is disproved and there is not justification with respect to the adverse observation or accusation, all materials concerning the issue will be removed from the teacher's record.

Section 2.4 Evaluation Plan

The evaluation plan shall be developed in cooperation with the Union. The form shall provide for a rating of each teacher's performance as "excellent", "proficient", "needs improvement" or "unsatisfactory" or such other ratings as may be required by law. The evaluation process shall be conducted in accordance with state law and the District's evaluation plan.

Section 2.5 Classroom Visitation and Monitoring

Nothing in this Article shall preclude the right of the administration to visit classrooms unannounced or enter into online platforms used for instruction for purposes of observation leading to the improvement and/or maintenance of existing standards.

The use of public address and audio systems, online live platforms or other devices for the monitoring of work performance will be conducted openly and with the full knowledge and freely given consent of the teacher at least 24 hours in advance.

Section 2.6 Personnel File

1. Nothing derogatory is to be added to or deleted from a teacher's personnel folder without notification to the teacher. However, this does not include school or job references of a privileged or confidential nature.
2. At the teacher's request, his/her personnel folder will be opened in the normal course of the business day. If a meeting with the appropriate administrator is necessary, the teacher, together with the Union Representative, if requested, will meet at a mutually agreeable time. Materials of a privileged or confidential nature as set forth in paragraph A above, will not be reviewed by the teacher.
3. All official teacher records shall be maintained in the Human Resources Office under the following circumstances:
 - a. Only one (1) official file shall be kept for each teacher by anyone anywhere, in or outside the schools. Buildings may however, keep basic data files of an unofficial nature subject to the same rights of access as provided herein.
 - b. Each teacher will have access at a mutually agreeable time to his/her files and will have the right to insert materials relevant to his/her service in the school, and accurate information relative to his/her qualifications in general.
 - c. Neither a teacher's file, nor any of its contents, shall be copied or made known to anyone, other than future employers or appropriate District officials, without his/her permission either

during or after his/her service in the schools, except if either party may need such data in any court proceeding or in any arbitration hearing conducted under the provisions of this Agreement.

- d. No derogatory material will be added to or removed from a teacher's folder unless the actual copy to be filed has been made available for signature and dated by the teacher. The signature merely signifies that the teacher has read the material and does not indicate agreement with its content.
- e. The teacher will have the right to attach dissenting or explanatory material to any item in his/her file.

ARTICLE III - Grievance Procedure

Section 3.1 Definition

A grievance for the purpose of this Agreement shall be defined as any dispute or difference of opinion between the Board and the Union, or between the Board and any of its teachers covered by this Agreement involving the meaning, interpretation, or application of the provisions of this Agreement.

Section 3.2 Statement of Basic Principles

1. Any teacher or group of teachers may at any time present grievances through the grievance procedure and have them adjusted without the intervention of the Union, as long as the adjustment is not inconsistent with the terms of this Agreement, provided that the Union has been given an opportunity to be present at such adjustment.
2. If any such grievance arises, there shall be no stoppage or suspension of work on the part of the teacher(s) or Union because of such grievance.
3. A teacher who participates in these grievance procedures will not be subjected to discipline or reprisal because of such participation.
4. The failure of a teacher or the Union to act within the time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement in writing.
5. The grievant has a right to be present and to be represented. If the teacher elects to be represented under the formal grievance procedures, his/her representative will not be from any organization other than the local Union.
6. Hearings and conferences held under this procedure shall be conducted by mutual agreement at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend. When such hearings and conferences are during school hours, employees whose presence is required shall be excused without loss of pay, for that purpose.
7. Under the following procedure, it is agreed that no grievance will be suspended or delayed by the summer vacation.

Section 3.3 Procedure

Before a grievance is filed, a sincere attempt should be made to resolve any grievances by oral interview between the grievant and the principal before differences become formalized as grievances. At this meeting, the Union Representative may attend at the request of the grievant.

For purposes of this Article, a “business day” is defined as any day the District Office is open to the public.

FIRST STAGE:

The filing of the grievance at the first stage must be within ten (10) business days of either the occurrence of the grievance, or the Union becoming aware of the grievance. However, the initial filing must be no later than six (6) months following the occurrence. The meeting with the principal, or appropriate District representative, will take place within five (5) business days of the receipt of the written grievance. The principal, or appropriate District representative, who has authority to make a decision on the grievance, shall make such decision and communicate it in writing within five (5) business days after the meeting to the grievant, Superintendent, the Union President and Grievance Committee Chairperson.

SECOND STAGE:

In the event a grievance has not been satisfactorily resolved at the first stage, the grievant, or his/her Union designee, will file, within five (5) business days of the receipt of the principal's written decision or answer at the first stage, a letter to the Assistant Superintendent of Human Resources requesting a meeting.

Within five (5) business days after such written grievance is received by the Assistant Superintendent of Human Resources, or appropriate District representative, the grievant, the Union Grievance Committee, not here or hereafter to exceed six (6) members, the principal and the Assistant Superintendent of Human Resources, or appropriate District representative, will meet to resolve the grievance. The Assistant Superintendent of Human Resources, or appropriate District representative, will file an answer within five (5) business days of the second stage grievance meeting, and communicate it in writing to the grievant, principal, Union President and Grievance Committee Chairperson.

THIRD STAGE:

In the event a grievance has not been satisfactorily resolved at the second stage, the grievant, or his/her Union designee, will file, within five (5) business days of the receipt of the Assistant Superintendent of Human Resources' written decision or answer at the second stage, a letter to the Superintendent, or appropriate District representative, requesting a meeting time for all parties involved. The Superintendent or appropriate District representative, the grievant, and a Union representative shall meet within ten (10) business days after receipt of said letter. The Superintendent or appropriate District representative shall submit a written answer to the grievant and the Union within ten (10) business days following the meeting.

FOURTH STAGE:

If the grievance cannot be settled at the third stage, the grievance shall be submitted to the Board of School Inspectors no later than seven (7) business days before its next regularly scheduled meeting unless an earlier or later date is agreed to by all parties. At this stage, the Union shall have the opportunity to present the grievance to the Board.

FIFTH STAGE:

If the grievance is not resolved satisfactorily to the Union after the hearing before the Board-(Fourth Stage), there shall be a fifth step of impartial arbitration. The Union may submit in writing, within ten (10) business days of the Board hearing and/or decision, a request to enter into such arbitration.

The parties shall jointly request the Federal Mediation and Conciliation Service (FMCS) to submit to them a list of seven (7) arbitrators and their qualifications. Either party may reject one list in its entirety and request that another list be submitted. From such list, the parties shall alternately strike names with the party requesting arbitration making the first strike. The person whose name remains shall be the arbitrator. The arbitrator selected shall be jointly notified of his selection and requested to contact the parties with respect to setting up a time for a hearing.

All expenses incurred shall be shared equally by the Board and Union. It is understood that such expenses will be limited to the arbitrator's fee. Any legal expenses incurred should be paid for by the party engaging the legal counsel.

Insofar as such arbitration is limited solely and singly to interpretation and implementation of the terms of this contract, both parties agree to abide by the results of the findings of the arbitrator.

Nothing herein shall, however, be construed to abrogate or deny any of the legal responsibilities of the Board of School Inspectors as required by City, State or Federal laws or regulations, including the right not to re-employ non-tenure teachers for any reason subject only to the specific terms of this contract relating to teacher evaluation procedures and fair practices and any legal statutes applicable.

The arbitrator shall not have the power to add to, subtract from, alter, or modify in any way any of the terms or conditions of this Agreement.

ARTICLE IV - Teaching Conditions and Professional Policies

Section 4.1 Pupil Evaluations

It is agreed that pupil evaluations shall be given and finalized by the teacher.

Section 4.2 Health Services

It is agreed that a health service room or rooms, adequately equipped and adequately staffed, is a desirable adjunct to the educational program in buildings throughout the district. It is agreed that the Board will continue, where practicable, to seek and provide such services to a degree consistent with the Board's determination of the objectives and resources of the district.

Section 4.3 Contingency Fund for Classroom Expenses

The Board agrees to the necessity of a contingency fund and if, in their judgment, money is available every building will receive a contingency fund in order to provide teachers some coverage of incidental classroom expenses for materials, supplies or special program resources. It is also agreed that reasonable conditions for learning and protection of the rights of others must be maintained for the welfare of all. In cases of serious disruption(s) by children, the teacher will have the right to temporarily

transfer such child or children to the care of the principal or other competent school authority. The teacher shall be required to notify the principal in writing of the reasons for referring the student to the principal's office. The teacher shall have the right to request an immediate conference and consultation as soon as practicable between the teacher, principal, and where appropriate, other staff and/or parents to determine the proper course of action thereafter. Principals and other administrators shall continue to have further rights of suspension as provided by law and the policies and regulations of the District. The principal or principal's designee shall indicate the disposition of the referral on the same notice received from the teacher and return the notice of disposition to the teacher prior to or at the time of re-admission of such child or children to the class.

Section 4.6 Class Size

The Board agrees to continue to make maximum efforts to hold average class sizes at the level of 28 to 1 and to continue to make reasonable effort to provide special programming and lower class sizes to meet special needs (particularly with respect to economically disadvantaged children) wherever in its judgment such action is practicable and feasible.

Section 4.7 Athletic Meetings

B. Voluntary Transfer

A teacher requesting a transfer in order to fill an existing vacancy, which has been posted in accordance with this section, shall make his/her request known in writing to the Assistant Superintendent for Human Resources and complete all designated forms. Such requests shall include the building and position desired. If a District 86 teacher does not receive the transfer requested, the teacher may request a conference with the Assistant Superintendent for Human Resources at which time the reasons will be stated and discussed as to why the teacher did not receive the transfer.

C. Involuntary Transfer

1. When dictated by the needs of the District or when there is a reduction in the number of teacher assignments, teachers may be transferred to another building and/or position. The teacher shall receive rationale for the transfer.
2. Prior to making involuntary transfers for the upcoming school year, for two consecutive weeks starting in the month of March, for existing staff, the District shall post a list of available specific upcoming assignments. During said two-week posting period teachers interested in applying for these assignments, may apply by following the procedures of Subsection B.

3. Teachers who are involuntarily transferred shall be paid for up to a maximum of eight (8) hours to pack their room in June and up to six (6) hours to unpack their room in August. Requests for payment shall be made using approved forms and shall be paid at a rate of \$32.50 per hour.

D. Notice of Tentative Building Assignment

The District will endeavor to provide all nurses, social workers, school psychologists, speech/language pathologists and behavior interventionists with a written notice of their tentative building(s) assignment at least fourteen days before the first day of student attendance each school year.

E. Policy Support

It is further agreed that implementation of the District's and Union's policy of nondiscrimination in assignment and their policy of actively seeking racially integrated faculties in all schools will be fully supported by both parties. The Union agrees to recognize implementation of the policy as a priority factor in assignment and transfer and agrees to assume active responsibility for encouraging applications for assignment and/or voluntary transfer as a means of implementation.

Section 4.9A Elementary Team Leaders

"Team Leaders" in each school and/or area of academic discipline shall be selected by the teachers who comprise each team, provided that final approval of such designation shall remain vested in the school principal.

Section 4.9B Junior High Department Leaders

Section 4.10 Seniority

1. That principle of employment policy which accords certain benefits and privileges among employees on the basis of length of service is accepted and endorsed by the parties hereto. However, it is understood that there are no seniority rights afforded to non-tenured part-time teachers or short term teachers.
2. District seniority is defined as the length of continuous service as a teacher in the District, and shall begin on the date that the teacher was officially employed by the Board of School Inspectors - when the Board acted on the hiring or the first day of service, whichever occurred first.
3. Under no circumstances shall any teacher newly employed into the District be placed higher on the District seniority lists than a teacher already having seniority in the District.
4. Should a conflict arise concerning two or more teachers with identical seniority, ties shall be broken by date of application. In the event that the date of application does not break the tie, then the tie shall be broken (in the following order) by:
 1. Total number of years of public school teaching
 2. Highest degree attained.

5. Each year, in accordance with law, the Board, in consultation with the Union, shall establish a sequence of honorable dismissal list categorized by positions and the groupings defined in Section 24-12 of the School Code.
6. Seniority shall only be used in circumstances specifically provided in this Agreement and where permitted by law.

Section 4.11 Curriculum Committees

The administration will publish the need for district wide curriculum committees, including textbook committees, with the intention that teachers will actively participate in writing the curriculum. Volunteers will be solicited and names will be selected from the entire list of volunteers. Generally, all committees referred to in this provision shall meet during the regular school day. When such meetings are scheduled during the school day, teachers will be released without loss of pay. When such meetings are scheduled outside the school day, teachers will be paid a stipend in accordance with the rate provided in Section 6.10B.

Section 4.12 Honorable Dismissal – Reduction in Force

Mileage to and from work at the beginning and end of a school day is not claimable. All mileage claims must be filed in accordance with District regulations on forms provided by the District. The rate of reimbursement will be the IRS rate.

Section 6.12 Pay Periods

The District’s payroll is based on an annualized 26 period schedule. Paychecks are generally issued every other week on Friday, with the exception of holidays. When a pay period falls at the beginning or during a holiday, paychecks are issued on the last working day prior to the start of the holiday period.

Nine and ten month employees have the option, upon written request submitted no later than May 1, to receive all of their remaining paychecks normally paid during the summer months to be paid in a lump sum. Those checks will be issued as part of the last payroll of the school year in June.

Section 6.13 Payroll Deductions

The District shall permit payroll deductions for IRS qualified retirement plans. Deductions and participation in such plans shall be subject to IRS regulation, plan administration regulation and the District’s regulations.

The District shall permit payroll deductions to one District authorized credit union.

Section 6.14 Maximum Compensation Increase Limitation

Notwithstanding anything to the contrary in this Agreement, the parties agree that any bargaining unit member who is within four (4) years of being eligible for either early or regular retirement under the Illinois Pension Code/ Teachers Retirement System (TRS) is limited to a maximum aggregate annual increase of 6% in TRS credible earnings under this Agreement.

Additionally, after submitting letter of retirement, a bargaining unit member cannot have creditable earning exceeding a maximum aggregate annual increase of six percent (6%) that, as a result of such increase, would obligate the Board to pay an additional contribution /penalty to TRS. If a teacher received more than a six percent (6%) increase in his/her creditable earnings in any of the years used to determine a teacher’s final annual salary, the teacher will not be eligible for the retirement incentives in this article.

This provision is based on current TRS statutory and regulatory provisions that provide for a penalty to be paid by the Employer for a retiring teacher, whose annual creditable earnings used for determining retirement benefits, exceed 6% over the prior year. If the Illinois Pension Code/ Teachers Retirement

System or any regulations adopted there under are changed to alter the 6% penalty provisions, this Section is subject to renegotiations.

ARTICLE VII - Agreement

Section 7.1 No Strike Provision

Recognizing that adequate means are made available by this Agreement for the resolution of teachers' grievances and/or complaints, neither the Union nor the teachers covered by this Agreement will promote, sponsor, engage in or condone any strikes, concerted stoppages of work, or any other interruptions of educational duties for the duration of this Agreement. It is understood and agreed that any teacher violating this provision of the Agreement shall be subject to disciplinary action by the Board. The Board agrees that it will not conduct nor condone any lockout of teachers due to a labor dispute for the duration of this Agreement. This no strike provision is null and void at such time when there is an economic or salary re-opener.

Section 7.2 Management Rights

The Board, pursuant to the authority and responsibilities vested in it by the State of Illinois, must retain the right effectively to conduct a responsible and efficient school system for School District No. 86, which at all times recognizes as paramount the interests of the students therein. It is the intention of this Agreement to provide an effective and continuing means of communication between the teachers and the Board through the Administration, as well as to provide for the salary structure, fringe benefits and employment conditions of the teachers. It is recognized that, except as stated herein, the Board shall retain whatever rights and authority are necessary for it to carry out effectively functions under the laws of the State of Illinois, which shall include, but not be limited to, all rights exercised by the Board prior to inception of this Agreement. The Board now has in existence and may revise from time to time, a manual of policy for its teachers. Nothing in this Agreement shall deprive the Board of its responsibilities delegated to it by the laws of the State of Illinois. The Board shall not abrogate its responsibility to any individual or group of individuals, and therefore, its decisions shall become final upon any subject under its jurisdiction.

Section 7.3 Severability

If any provision of this Agreement is subsequently declared by the proper legislative or judicial authority to be unlawful, unenforceable or not in accordance with the minimum standard of the School Code, all other provisions of this Agreement shall remain in full force and effect for the duration of the Agreement.

Section 7.4 Effective Date

This Agreement shall be in full force and effect from September 1, 2022 and shall remain in effect to and including August 31, 2025 and shall automatically be renewed from year to year thereafter unless written notice of desire to terminate, modify or amend this Agreement is served upon the other party prior to May 1 in the year in which this Agreement expires or prior to May 1 in any year subsequent thereto.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized representatives on this 14th day of December, 2022.
